

Old wives' tales: party guesses

These observations do not establish a baby's sex. Skip any row. No dates, medical values or personal details are needed.

FOLKLORE TOPIC	OPTIONAL OBSERVATION	FOLK GUESS
Food cravings		
Bump shape		
Heart rate		
Morning sickness		
Skin changes		
Hair changes		
Ring swing		
Chinese calendar		

Actual reveal (optional) _____

Just for fun, not evidence. Leave every field blank if you prefer. This sheet does not provide a medical prediction. Do not perform body tests or ask anyone to disclose health information. For a ring-swing guess, use a prop on the table; do not suspend objects over a person.
